This framework brings together GreenSpark Consulting's policies on ethical conduct, compliance, responsible operations and business relationships. Each policy is available as an individual Markdown source file and PDF for website publication.

Policy documents

- Anti-Bribery and Corruption Policy
- Gifts, Hospitality and Business Expenses Policy
- Sanctions and Export Controls Policy
- Conflicts of Interest Policy
- Whistleblowing and Speak-Up Policy
- Anti-Money Laundering and Fraud Prevention Policy
- Modern Slavery and Human Rights Policy
- Environmental and Social Responsibility Policy
- Data Protection, Confidentiality and Responsible AI Policy
- Supplier and Third-Party Due Diligence Policy

Policies should be read together where relevant. This framework does not replace applicable law, contract terms or professional advice. Reporting channels and internal controls described in the policies must be maintained and monitored in practice.
